

Story 1001

As an avid runner, I want the animal to have four legs so it can keep up when we run together

Estimate: 1 2 4 8

Story 1002

As a caring and sensitive person, I want an enclosure for the animal so it can be secure when it rests

Estimate: 1 2 4 8

Story 1003

As a child, I want to make my animal move across the desk, so I can play with it in my bedroom

Estimate: 1 2 4 8

Story 1004

As an owner, I want my animal to have wings, so it can fly home when it needs to

Estimate: 1 2 4 8

Story 1005

As a salesperson, I want the animal to have a head, so it will not scare its owners

Estimate: 1 2 4 8

Story 1006

As an owner, I want the animal to have at least two eyes, so it can see where it is going without me having to guide it

Estimate: 1 2 4 8

Story 1007

As a salesperson, I want the animal to be one color, as single-colored animals are the easiest thing to sell

Estimate: 1 2 4 8

Story 1008

As a walker, I want the animal to have two legs, so we can walk together

Estimate: 1 2 4 8

Story 1009

As a zoologist, I want the animal to have two arms, so it can manipulate its food easily

Estimate: 1 2 4 8

Story 1010

As a zoologist, I want a baby version of the animal, so the species can perpetuate

Estimate: 1 2 4 8

Story 1011

As a salesperson, I want the animal to have stripes, as studies show that striped animals sell better than any other

Estimate: 1 2 4 8

Story 1012

As a zoologist, I want there to be a cart for the baby, so it can be cared for easily

Estimate: 1 2 4 8

Story 1013

As a child, I want the animal to be at least 4 inches high, so it is easy for me to play with

Estimate: 1 2 4 8

Story 1014

As a child, I want the animal to be at least 4 inches long, so it is easy to find

Estimate: 1 2 4 8

Story 1015

As a caring and sensitive person, I want to put a roof on the enclosure, so when it rains my animal will stay nice and dry

Estimate: 1 2 4 8

Story 1016

As a zoologist, I want the enclosure to be large enough to take the baby as well as the adult, so they can bond

Estimate: 1 2 4 8

Story 1017

As a child, I want the enclosure to take my 4 inch x 4 inch animal, so it will have somewhere cozy to sleep

Estimate: 1 2 4 8

Story 1018

As a competitive sprinter, I want the animal to have 6 legs, so it can race against me and improve my speed

Estimate: 1 2 4 8

Story 1019

As a security expert, I want to my animal a second head, so it can always be alert and on the lookout for danger

Estimate: 1 2 4 8

Story 1020

As a zoologist, I want to put a gate on the enclosure, so the animal can easily enter and exit

Estimate: 1 2 4 8

Story 1021

As a security expert, I want to make the enclosure 3 blocks high, so my animal does not leave at random

Estimate: 1 2 4 8

Story 1022

As a salesperson, I want the animal to be friendly to children, so they will talk their parents into buying it

Estimate: 1 2 4 8

Story 1023

As a runner, I want the animal to have feet on the end of its legs, so it can walk and run with a natural action

Estimate: 1 2 4 8

Story 1024

As a salesperson, I want the animal to appear friendly, so I appeals to children

Estimate: 1 2 4 8
